

# 2020 Census

---

Southeast Ohio Counts

March 5, 6:30pm

## Athens Community Center, Room A

Community Members, Civic Organizations, Local Governments & Everyone Else is invited.

Rose Simmons, of the U.S. Census Bureau will discuss:

- \* census design
- \* background and importance
- \* importance of participation by all kinds of civic organizations
  - \* what is at stake
- \* next steps, for those who want to work toward a successful census

The meeting will include discussion about forming a local Complete Count Committee.
